

## 2009 Victorian State IOM Title Result

Venue – Edgewater on the Maribyrnong

Held on – 11<sup>th</sup> & 12<sup>th</sup> April 2009

Saturday greeted the 9 skippers, two from Tassie, one from SA and six Vic's, with very light shifting breezes, PRO Rod Clack held the start of racing until a more consistent directional breeze with racing commencing at 10:30 am. The light breezes all day only allowed the completion of 12 races and they were mastered by Ralph White with 7 firsts and Craig (Diesel) Manning with 4 firsts then the next was Matt Gray (Tas) with 1 first and Campbell Calderwood and Peter Harris (Tas) were close behind with consistent mid fleet finishes, with the remaining 4 skippers within 2 points of each other.

Day 2 was a replica of day 1 with light breezes to start but from a consistent direction, racing commenced at 10:00 am with 20 races completed for the day amounting to a total of 32 for the event. The early races saw Andrew Reid, Peter Harris and Ralph White sharing the wins with 2 each and Matt Gray, Craig Manning and Campbell Calderwood sharing the minor and mid fleet finishes up to the lunch break. The afternoon saw an improvement of wind strength with Ralph White and Matt Gray showing the way, Craig Manning and Campbell Calderwood breaking through at the pointy end but generally minor placing or mid fleet finishes. Andrew Reid, Brett Osborne (SA) and Peter Harris had some minor placing but generally mid fleet finishes, Frank Katers and Stephen Early had some spurts of speed with mid fleet placing but generally down the blunt end of the fleet.

A special thank you to Rod Clack PRO, ably assisted by Greg Ledra, Brian Long, David Thomas and Race Secretary Eddy Kennedy (recently passed on)
