

Victorian RC Laser State Titles

Hi All

A great day was had, with good competition and a very well mannered fleet. Started on B and then A rig conditions, with the fluky Patterson Lakes bridge syndrome in the afternoon. A shame that we lost a few boats early due to transmitter and cooked winch problems, brings home maintenance issues before the Nationals at Yarrowonga.

A big thank you to the following PLRMYC helpers;

- Mike Pender - PRO, well done and hassle free.
- Tony Smith for getting the boat out and setting up early and course set-up / adjustments.
- John Toner for being spotter, taking scores, registration, DF95 demos, etc.
- Peter Haynes for boat retrievals, set-up, etc
- Stephen Early for taking photos and doing internet scoring.
- Jayne Fleming & Lyn Fleming for doing the lunches.

Great to see Scott Mitchell back onto an RC Laser and coming from SA for the event and holiday in the sunny state, watch out for the Nationals as his arvo scores kept getting better and better.
