REPORT ON 08 RC LASER VICTORIAN CHAMPIONSHIPS

VENUE ;WATERWAYS,CARRUM..

DATE 1ST JUNE 2008

The event was held on a foggy Sunday with all thirteen competitors eager to get the inaugural Victorian State Titles underway but mother nature had other ideas.

Briefing was at 9am with the first heat not able to take place until just before lunch in a light NE wind.Lunch was then taken.We were then able to get seven more races in before the sun went down.

George Fish from Tasmania was the most consistant in the very light breeze and was able to extract that little bit more out of his A rig, with Scott Fleming not far behind him. Chris Madziara ,also from Tasmania ,took out third ,with Simon Dubbin taking fourth and Jayne Stacey ,the first placed female,taking fifth.The racing was close and exciting with little separating the top half of the fleet.

Overall the day was a success and with the great turnout next year promises to be even better.

Chris Ryan was the PRO and Mike Pender Assistant PRO.
