

The event PRO Linclon McDowall started the regatta at 10:00 am with eight skippers in light fluctuating breezes, at this point we would like to thank Rob Nowak, Brian Long VRYA Officials, Patterson Lakes Radio Model Yacht Club for hosting the event and the helpers provided, Stephen Early, Bill Hutchison, Margaret Lee and the luncheon ladies Mrs Luther, Mrs Fleming and Mrs Thomas. With that out of the way, the racing up until lunch (8) was close with Scott Fleming clear of Jurgen Luther with a group of five within one point for third being, Tony Smith, Jayne Fleming, Kevin DeGroot, Barry Johnston and Mal Davidson. The afternoon saw an improvement in the wind strength from the south west still maintaining "A" rigs, the top two had been decided, but the remainig podium position was being closely fought, with good results by Tony Smith, Jayne Fleming, Mal Davidson and on occassions Alan Fleming, with Kevin DeGroot having a couple of races at the pointy end. The overall result by Scott Fleming was a perfect 18 wins from 18 races, congratulations Scott. The photo L to R, Jurgen Luther 2nd, Scott Fleming 1st, Tony Smith 3rd and VRYA President Andrew Reid.
